POSTSCRIPT.

THURSDAY, 2 o'clock, p. m. VIRGINIA ELECTION .- The returns received the Mail just arrived, go to confirm our remarks in another column. The Petersburg Intelligences of yesterday says that Dromgool is elected by 21 rotes. The election has been very close in several districts. So far we have lost two members to Congress. We do not think that there is any probability of a farther loss on our side. This will give us 12, and the feds 3 members in the next House of Representatives. The Legislature s beyond all doubt Democratic. We have no room for further particulars.
